

## Home/Office Japanese Lessons

**Our lessons will help make your life in Japan more convenient and enjoyable.**

We offer a variety of programs for all ages living in Japan.

Bilingual teachers who speak your native language are available to help ease the transition to living in Japan.

Your teacher will come to your office or home so that you may feel more comfortable and enjoy the lessons.

### Lesson content

#### ■ Japanese for Business ■

According to your job type and field of work, you will learn Japanese that is useful in your business environment. We offer lessons once or twice per week. We can also provide lessons to prepare for qualifying tests, or an intensive program for people new to Japan.

#### ■ Japanese for Daily Life ■

To help you enjoy communicating in Japanese, we will teach not only the language but also Japanese culture and customs.

- Trains, buses, and other transportation
- Shopping and hospital
- Communication with special delivery services
- Bank and city office procedures
- Reservations for restaurant, train, and hotel
- Communicate with your child's teacher

#### ■ Japanese for Children ■

Private lessons for children staying in Japan.

Support is provided for Japanese school subjects and also for school entrance examinations.

We offer customized curricula based on each child's needs.
